

Application Résanet – Mission 5

Modification de l'existant – Vue "Liste des réservations"

1- Modification 1 – Solde insuffisant

Objectif : Agrandir la largeur de la boîte dédiée à l'affichage du message d'avertissement "Solde insuffisant".

The screenshot shows the 'Liste des réservations' interface. At the top, there are navigation links: 'Résanet', 'Réservations', and 'Compte'. On the right, the user is identified as 'Christophe FONTAINE (1.00 €)' with a 'Se déconnecter' link. Below the navigation, there is a grid of date buttons arranged in two rows. The first row contains buttons for 22/01/2018, 23/01/2018, 24/01/2018, 25/01/2018, and 26/01/2018. The second row contains buttons for 29/01/2018, 30/01/2018, 31/01/2018, 01/02/2018, and 02/02/2018. At the bottom, a message box displays 'Solde insuffisant'.

2- Modification 2 – Date du jour

Objectif : Afficher la date courante dans la vue "Liste des réservations".

The screenshot shows the 'Liste des réservations' interface. At the top, there are navigation links: 'Résanet', 'Réservations', and 'Compte'. On the right, the user is identified as 'Ewen PRIGENT (100.00 €)' with a 'Se déconnecter' link. Below the navigation, a message box displays 'Nous sommes le 25/01/2018.' Below this, there is a grid of date buttons arranged in two rows. The first row contains buttons for 22/01/2018, 23/01/2018, 24/01/2018, 25/01/2018, and 26/01/2018. The second row contains buttons for 29/01/2018, 30/01/2018, 31/01/2018, 01/02/2018, and 02/02/2018.

3- Modification 3 – Nom du jour

Objectif : Associer une info-bulle à chaque bouton de réservation. L'info-bulle permet de connaître le nom du jour qui correspond à la date.

The screenshot shows the 'Liste des réservations' interface. At the top, there are navigation links: 'Résanet', 'Réservations', and 'Compte'. On the right, the user is identified as 'Ewen PRIGENT (75.40 €)' with a 'Se déconnecter' link. Below the navigation, a message box displays 'Nous sommes le 25/01/2018.' Below this, there is a grid of date buttons arranged in two rows. The first row contains buttons for 22/01/2018, 23/01/2018, 24/01/2018, 25/01/2018, and 26/01/2018. The second row contains buttons for 29/01/2018, 30/01/2018, 31/01/2018, 01/02/2018, and 02/02/2018. A tooltip is visible over the 30/01/2018 button, displaying 'Mardi'.
